

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF CINCINNATI BELL TELEPHONE	)	
COMPANY OF AN ADJUSTMENT IN ITS	)	CASE NO. 9353
INTRASTATE RATES AND CHARGES	)	

O R D E R

On July 26, 1985, the Commission issued an Order establishing a procedural schedule to be followed in this case, based upon the standard deadlines established in all major rate cases. Because of coordination with proceedings in Ohio, which facilitates the rate uniformity approach, the standard schedule is inappropriate in this case. A final Order will not be issued by the Ohio Public Utility Commission ("Ohio PUC") until late October or early November, 1985. Thus, there is no way to address all requests for information to Cincinnati Bell within the schedule established by the July 26, 1985, Order.

IT IS THEREFORE ORDERED that supplemental requests for information due October 4, 1985, shall now be due October 15, 1985, and that an additional data request may be issued after the Ohio PUC's Order is issued, either before or at the November 6, 1985, hearing.

Done at Frankfort, Kentucky, this 11th day of October, 1985.
